Director of Instruction

It is with pleasure that I congratulate you of the 1962 Graduating Class of Jennie Dean High School. The fact that you have been willing to apply yourself diligently to your task indicates that you recognize education as an essential part of your preparation for successful living. May the same wisdom, perseverance and diligence which you have displayed thus far direct your life in the future.

Mr. C. E. DeHaven

THE PRINCIPAL'S MESSAGE

To the Class of 1962:

"The true purpose of education is to cherish and unfold the seed of immortality already sown within us; to develop, to their fullest extent, the capacities of every kind with which the God who made us, had endowed us." Jameson. This class seems to realize in its motto "The elevator to success is out of order; take the steps," that education is a continuous and gradual process, not swift and terminal. Education must be attained step by step, not in a rapid sweep to the top. I trust that you have learned never to cut corners to avoid hard work; for there is no substitute for consecrated serious study. The cradle is the launching pad on one's education and the grave terminates its growth. Hence you must attain your goal by taking the proper steps.

The best education is that which promotes intelligent behavior, which leads to success in life's pursuits. Education is not only for life, but it is life. Education is truly the process of gaining new insights from personal, community and world experiences, and from those inner drives and impulses toward the good life. "Education is a controlling grace to the young, consolation to the old, wealth to the poor, and an armament to the rich." Diognes.

The key words to education are purpose, diversity, unity, democracy, service, and work. The greatest of these is work; therefore I bid you to inculcate all of these characteristics into your life as you climb the steps to success. Continue to learn as long as you live; for only thus can be attained all of your possibilities.

— Dr. C. N. Bennett, Principal

THE SUPERVISOR'S MESSAGE

Congratulations to the Class of 1962.

Today is the only time you will ever have. Yesterday was today. Tomorrow will become today. Therefore, employ every golden moment of Today seeking and using every opportunity -

To gain as much knowledge as possible,

To intelligently use this knowledge in solving life's problems,

To sincerely love God, your Country, humanity, truth, and justice,

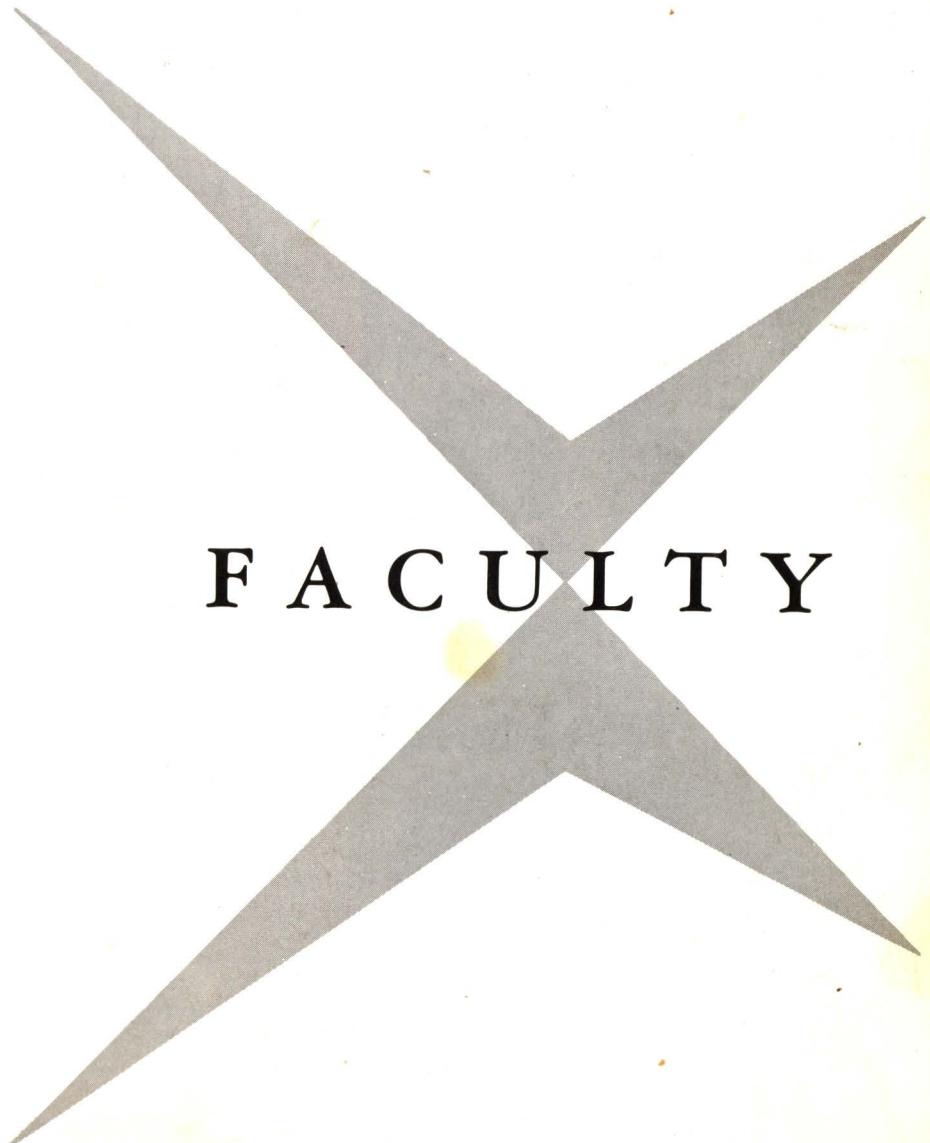

To become cultured enough "to enjoy the finest elements in life, letting noisy jazz and the fads of the moment be life's seasoning and not its regular diet."

Dedicate your life to noble pursuit, accepting the challenges of change, and the discipline of responsibility. Let the practice of prudence and the strength of patience be reflected in your dealings with your fellowman.

Education is a quest that does not end with the granting of a diploma. It is the guiding light to the stature of full self-realization.

You have my sincerest wishes for success and satisfaction in your future pursuits.

CLASS HISTORY

Looking back over the years we, the Class of 1962, remember the wonderful days we spent at Jennie Dean High and Elementary School. Those precious memories we will forever cherish. I now will relate them to you.

As eighth graders we entered Regional High School on September 3, 1957 to begin our high school career. There were 69 members of our Class from both Prince William and Warren Counties. Our Sponsors for this school term, 1957-1958, were Mrs. M. R. Feggans and Mr. H. P. Johnson. We organized our class with the following officers: President, Vernon Tascoe; Vice-President, Willie Johnson; Secretary, Arlene Kendall; Assistant Secretary, Edith Davis; Treasurer, Delores Coleman; Chaplain, Barbara Anderson. During our first year our contestant, W. Mae Johnson, won the "Miss Homecoming" contest. We had many new and varied things to learn.

On September 2, 1958, we entered school as freshmen. Our membership had decreased to 49. Our advisers were Mrs. M. R. Feggans and Mr. H. P. Johnson. The class officers were: President, Adrian Williams; Vice-President, Charles Thornton; Secretary, James Anderson; Treasurer, Lloyd Folkes; Parliamentarian, Barbara Anderson. We gained a great deal of educational values this year and they were later to become educational foundations for our remaining years.

As September 8, 1959 rolled around we began our term as sophomores. Our membership decreased severely to 29. This was because the Front Royal students withdrew to attend their new Criser High School in Front Royal, Virginia. At the beginning of this term we also entered our new school with sincere pride. Our school's name changed from Manassas Regional School to Jennie Dean High and Elementary School. Our sponsor was Mr. H. P. Johnson. The Class officers were: President, Charles Thornton; Vice-President, Robert Murphy; Secretary, Joyce DeNeal; Treasurer, Gloria Braxton; Chaplain, Donna Grayson; Reporter, Barbara Anderson. During 1959-1960, Charles Thornton won an award for outstanding class research in his history class. The Tenth Grade Girls won Intramural Basketball Championship Trophy. The members of this team were Arlene Kendall, Bertha Wicker, Barbara Anderson, Barbara Hughes, and Geraldine Lansdowne. Gloria Braxton won second place in the "Miss Homecoming" contest.

September 11, 1960, we were classified as "Sophisticated Juniors." Our sponsor was Mr. H. P. Johnson. Membership for this year was 20. Our class officers were: President, Bertha Wicker; Vice-President, Charles Ferrell; Secretary, Barbara Anderson; Assistant Secretary, Shirley Moore; Treasurer, Carl Thomas; Parliamentarian, DeGrayson; Reporter, Adrian Williams. Among the activities of the year we sponsored the Junior-Senior Prom; the theme was "Song in My Heart." We departed with great expectations for our senior year.

On August 31, 1961 we entered school as "Dignified Seniors." Our faithful sponsor was Mr. H. P. Johnson. There were twenty seniors. Our class officers were: President, Barbara Anderson; Vice-President, Bertha Wicker; Secretary, Harold Kyles; Assistant Secretary, Donna Grayson; Treasurer, Arlene Kendall; and Chaplain, Geraldine Lansdowne.

This was a most climactical year for Jennie Dean and the members of the Senior Class contributed their share to the progress and the achievements of the school.

Our biggest and most exciting group activity was producing the 1962 JAY DEE.

Eight seniors helped to lead the invincible "Bulldogs" to capture the District I Football Championship title. The Washington Post All-Virginia Interscholastic (Northern Virginia) Teams selected Roger Cyrus to a position on the first team and Robert Murphy to the second team.

Members of the Senior Class also shared in many other activities and honors of the school. Barbara Anderson and Charles Thornton remained on the Honor Roll throughout their high school careers. Charles Thornton was one of the most impressive presidents of the Student Council that has presided in recent years. The Senior Class contributed several basketball players who helped to lead the basketball team to a successful season; the senior girls dominated the girls' team. Charles Ferrell and Harold Kyles' business procedures reflected in the great success of our yearbook production. Barbara Anderson was voted "The Most Popular Girl" in the high school in a poll conducted by the publication group. James Anderson and Adrian Williams were honorably mentioned in the 1962 award of "The Nail." Each member of the class made his or her contribution in his or her own way.

We are thrilled by and grateful for the wonderful years at Jennie Dean. We are also saddened at the thought of leaving all of the pleasant experiences and happy associations which were ours to share at our dear Alma Mater. But time moves on and so must we; for we know that we must move on to assume our respective roles in the greater drama of life.

We immediately catch the deep significance of the challenges and the urgency of the time as we are motivated by our class motto with all of its technological and philosophical implications--"The Elevator to Success Is Out of Order; Take the Steps."

CLASS SONG (TUNE: AULD LANG SYNG)

We, the Class of Sixty-Two
Though leaving with glad hearts,
Will n'er forget Alma Mater true,
From which we have to part.

Through the years that have gone by,
We've accomplished many goals;
But now we know that we must try,
More with all our hearts and souls.

The journey o'er, we've no regrets;
For our time had to come;
Now we have thanks to express
To each and everyone.

Charles Thornton

CLASS POEM

Dear Alma Mater, we hold true
These memories we shared with you,
Memories, that will remain
Dear to us, but not in vain.

For we will cherish J.D. High
Until the saddening day we die;
But as we leave the hallowed walls
Tears from our eyes begin to fall.

Oh n'er forget us we beg of thee,
For you have encouraged our destiny,
And to the world our cry will be:
J.D., J.D., I love thee
